

I had an unforgettable time in Arequipa. The teaching was outstanding, intensive, interesting and fun. Sitting on the terrace taking lessons under a cloudless blue sky with a view of the snowy mountains was a daily pleasure, and I left Peru proficient in written and spoken Spanish thanks to Lula and her staff.

Arequipa is an exquisite town of warm people, a fascinating history, lovely architecture and a perfect climate, as well as a rich cuisine. I have the most beautiful memories of my time there and wholeheartedly recommend the experience to anyone who wants to combine learning with a very enjoyable holiday.
