

I thoroughly enjoyed the four weeks I just spent at your school. From the outset you presented as a professional institution with responses to my inquiries and registration being prompt and succinct.

The four teachers I worked with were enthusiastic and highly skilled and able to adapt the course to my level. They included much background to the culture and history of the country and an insight into the life of Peru today.

The school has a welcoming tone and a vibrant feel to it. Being a teacher of 40 years experience myself I recognise excellence and wholeheartedly recommend your school to anyone wishing to learn Spanish in an exotic location with a feel that typifies Peru in today's world.
